

11 October 2019
Reykjavík, Iceland

**Workshop:
Forum of Arctic Science Funders
Germany**

Programme-Oriented Funding

Helmholtz-Association

- scientific evaluation and strategic evaluation

National Programme MARE:N - Coastal, Marine and Polar Research for Sustainability

Funding Instruments:

- national calls
- bilateral calls within bilateral Cooperations in Science and Technology
- multinational calls under the umbrella of JPI Ocean

Prerequisite:

Research Partner from abroad bring their own needed resources with them

DFG, German Research Foundation, together with DAAD, German Academic Exchange Service, support the Information portal GERiT. Here all German Research Institutes are listed. Students and Researcher from abroad will find all relevant information about the German Research institutions and cooperation possibilities.
